

## **INFINZ MEMBERSHIP CATEGORIES & CRITERIA**

### **STUDENT MEMBER - no post nominal**

Students are eligible to join INFINZ for a nominal fee provided that they are studying full-time for a qualification relevant to the financial and capital markets as referred to above. Student members are non-certified, non-voting members.

As a Student Member you will have the opportunity to make industry contacts and be provided with the means to seek out possible summer vacation job placements. Also, potential future employers will have the opportunity to get to know you.

### **Offering and Benefits to Students**

- Student member register maintained on the INFINZ website together with database of CVs – put in public area so freely available to interested parties/organisations.
- Two free copies per annum of the INFINZ Capital and Finance Industry Journal.
- Free attendance at INFINZ events in Auckland, Wellington and Christchurch (excluding the INFINZ Awards Dinner, Conference and Masterclasses). These provide learning and networking opportunities.
- Student members can apply for scholarships to attend the annual INFINZ Conference.
- Ultimately Student Members would be expected to qualify for Certified Membership of INFINZ once suitable tertiary qualification has been attained and relevant work experience achieved.
